Welcome to the Heart of America Longhorn Sale!

After the Civil War the Longhorn cattle were driven north to Kansas to be shipped back East via train car. As times change our cattle maintain a raw elegance unique to them. This breed from the past continues to make history today.

On behalf of the Heart Of America Longhorn Sale, I want to invite you to historic Marysville, Kansas for what will be an outstanding offering of superb Longhorns from a host of consignors. These ranches went deep into their herd to bring some very special animals that have never been to town. A few of these tremendous animals included in the catalog have remained unavailable due to their production records, either through IVF and embryo transfer or just what they have produced by natural breeding. These fine animals are now available. I strongly believe that animals being offered today contain breed changing genetics and will make a positive impact in our beloved Longhorn cattle. If you take the time to tally the bloodlines offered today you will find one of most complete groups of genetics ever offered at public auction. I personally invite you to study this sale catalog and call me with any questions. I have sale day phones available, updated information and every answer on all animals walking through this special sale. Let me know what I can do to assist you in your genetic program.

TERMS:

Bidding: Each animal will be sold to the highest bidder.

Bidding Disputes: The Auctioneer will settle any disputes as to bids and his decision of such matters shall be final.

Terms: Terms of sale are cash or check to the clerk at the conclusion of the auction. No funds will be released until all checks have cleared the bank, approximately 10 days. Checks are to be made to the "Heart of America Longhorns Sale".

Certificates: Certificates of registration will be transferred to the purchaser. Give full name and address and TLBAA or ITLA # to the sale Clerk when making payment. This will facilitate proper transfer of ownership.

Health: All sale cattle pass the requirements to sell in this state and most other states. Interstate health papers will be furnished within 30 days prior to the sale. Calves shall appear on the certificate with their dams. Multiple animals can be on one certificate. Each animal requires a T.B., Brucellosis, and preg status for females. Bulls must also have a Single Trick Test done along with a semen evaluation. Purchasers should consult with your state veterinarian regarding regulations in your state.

Announcements: Changes of any information published in the catalog will be announced from the auction box. Such announcements will take precedence over printed material in the catalog. All catalog information or modifications are the responsibility of the seller.

Guarantee: All guarantees are between Buyer and Seller. All animals sold are guaranteed as represented by the owner. Females in calf, or with a calf at side, are considered breeders without further guarantee. All females vet checked with calf will be announced at sale time. All calves are given to the purchaser free and with no guarantees unless stated that it will be a split pair.

Notice: The purchaser must look to the seller for fulfillment of all guarantees and representations made hereunder.

Possession: Immediately after the animal is sold, it will be the sole risk and responsibility of the Buyer. Possession cannot be obtained until payment is made. Buyer must make arrangements with Longhorn Opportunities for care of stock until removed. Any cattle left without arrangements being made will be removed 24 hours after the sale by Longhorn Opportunities or Seller at Buyer's expenses.

Contract: The above terms and guarantees shall constitute a contract between Buyer and Seller of each animal sold.

Liability: All persons who attend this sale do so at their own risk. Longhorn Opportunities (Heart of America Longhorn Sale) nor Marysville Livestock Co. and anyone else connected with the sale, assumes no liability, legal or otherwise, for any accident or loss of life that may occur.

Phone Bids: Phone bids will be accepted during the sale. Sale day phones will be 816 536 1083 or 785 562-6712 or 785 562-6190.

Breeding: Should calve by sale date to Shamu Chex.

Comments: OCV'd. This heifer comes from some of the most sought after genetics in the Longhorn breed. Tari Graves has been made the trademark of the El Coyote ranch for many years while influenced many other programs along the way. On the maternal side you have a full sister to Diego's Hot Shot, who is the sire of Starlight who is well into her 80's. Not to forget our Torch cow who is a legend in her own right.
